The School Trip to the Farm

Last Friday, Year 3 Jaya went on a school trip to Happy Farm in Seremban. The students were very excited. They boarded the school bus at seven thirty in the morning. Their teacher, Madam Roslina, reminded them to follow the rules and stay together in groups.

When they arrived at the farm, a friendly farmer named Uncle Hassan welcomed them. He showed them how to feed the chickens, ducks and goats. The students also learned how to plant vegetables. Amir planted a tomato seedling, while Siti planted a chilli plant.

After lunch, they watched a short film about how milk is produced from cows. They were surprised to learn that one cow can produce up to 25 litres of milk a day! Before leaving, each student received a small jar of honey as a souvenir. It was a memorable trip that they will never forget.
