Uncle Salim invited us over to his new house last Saturday for dinner. When we arrived, grandma and grandpa weren't there yet. My parents sat in the living room talking to Uncle Salim, while Abdul and I played with the new toys Uncle Salim bought us. At about 8 p.m., our grandparents arrived. Since my younger brother, Abdul was hungry, we ate dinner. We had hamburgers, fries and also ice cream.

After dinner, the whole family decided to sit in the living room and watch television. Uncle Salim decided to try out his new dishwasher. He poured the dishwashing liquid, instead of dishwashing powder into the dishwasher and walked to the living room. Within minutes, bubbles started coming out from the dishwasher onto the floor of the living room! We tried to scoop out the bubbles but it was just too much. We also used the curtains and opened the door. It took us an hour to get rid of the bubbles. Uncle Salim turned on the dishwasher again, it started again. It took another two cycles to get all the bubbles out.
