Parents should encourage teenagers to develop good financial habits early. One effective method is to provide a weekly allowance and advise them on budgeting their money carefully. Teenagers can allocate funds for spending, saving, and charity. By saving consistently, they cultivate patience, responsibility and a deeper appreciation of money's value.

5 What can we infer from the text?

A Parents need to monitor every detail of their teenagers' spending.

B Teenagers should manage their money by allocating it carefully.

C Regular saving can help teenagers become disciplined and accountable.

6 Which statement is true based on the Merdeka Day Poster?

A People participate in parades and ceremonies.

B People join the cultural performances on that day.

C People put on national colours to show patriotism.

Part 2

Questions 9 to 18

Read the text below and choose the **best** *word for each space. For each question, mark the correct letter* **A, B, C** *or* **D** *on your answer sheet.*

The Teen Survival Guide

Adolescence is a period of significant physiological and emotional change, and many teenagers (0) experience a wide variety of challenges during these formative years. From the intense pressure of upcoming academic exams to (9) _____ with friends, mental well-being is often put to the test. Experts suggest that maintaining a balanced perspective is key to navigating these social hurdles successfully.

In the digital age, constant (10) _____ to computer screens can also lead to eye strain and poor posture, which negatively impacts overall health. To (11) _____ these issues, specialists recommend balancing a busy social life with adequate rest. It is also vital to maintain a nutritious diet to (12) _____ energy levels and prevent skin problems such as spots, which can affect a teenager's self-esteem.

Physical health is equally important, especially when (13) _____ on an outdoor excursion or a long-distance holiday. Being prepared for minor (14) _____ or sudden illnesses is a necessity for any young traveler. Many teens unfortunately forget to (15) _____ basic first-aid kit containing essential items like antiseptic cream, bandages, and painkillers, which are often overlooked until they are needed.

These supplies are (16) _____ for dealing with minor mishaps, such as a painful blister from walking or sudden physical discomfort that could otherwise ruin a trip. Furthermore, protecting oneself from the harsh outdoor environment is a must. Using sun cream and insect repellent can effectively (17) _____ sunburn and itchy mosquito bites, which are common complaints during the summer months.

By taking these small (18) _____, teenagers can improve their overall physical condition and enjoy their newfound independence with greater confidence. This proactive approach ensures that the transition into adulthood is as smooth and healthy as possible. Ultimately, staying informed and prepared is the best way to thrive during these transformative years.
