City Residents Warned Over Rising Overspending

Kuala Lumpur, 29 April 2026. Financial advisers have warned that many young adults are overspending on food delivery, online shopping, and entertainment. A recent community survey found that poor budgeting and easy access to digital payments are major causes. Experts say this habit may lead to debt and stress if it continues. They urge people to track expenses, compare needs and wants, and save part of their income before spending.

8. Which statement best evaluates the main problem in the report?

A Overspending is only caused by high food prices.
B Digital payments and weak budgeting can encourage overspending.
C Young adults should stop spending money on entertainment completely.
